Your Support will be greatly appreciated!!

Sponsoring our event will allow your business to be recognized by over 100 attendees from all segments of Animal Agriculture and acknowledgement of your generous support on our chapter website. The funds raised during this event will promote animal agriculture, fund scholarships and research projects to strengthen agricultural in our community. In 2018, CA ARPAS awarded $9,000 to students from California colleges for their achievements in their field of Animal Agriculture and continue their education.

2019 Program Goals

- Raise funds for scholarships and research that will promote animal agriculture.
- Allow Nutritionists, Dairymen, Feed Ingredient suppliers, FeedMills and other Animal Agriculture business to interact and promote relationships beyond business.
- Trap Shooting: A fun and competitive event that promotes friendly competition and networking.
- Dinner: An appetizing meal of succulent tastes and a fun filled evening for networking.
- Raffle Items: A great way to promote your company and products. Included is a chance to win a GUN!
